## PARTICIPATION AND AREAS OF RESEARCH§

## FEEDBACK FROM PARTICIPANTS ON INDUSTRY PARTICIPATION\*

“It brought together experts from both industry and academia, providing a valuable opportunity to hear diverse perspectives on the latest developments in the field”

“The [passport] competition was a great way to make people go to as many stands as they could, and even if not all stands are as relevant, you suddenly find one that you didn't know existed and that could actually help your project”

“Interactions with industry representatives provided useful insights into novel products, technologies, and tools that may support future research activities.”
